

Generate Life Sciences Reproductive Services

[Generate Life Sciences™](#) is a company that helps grow and protect healthy families through reproductive, newborn stem cell, and genetic testing services. The reproductive brands - grown over the last 40 years - include [California Cryobank Donor Sperm Bank™](#), [Donor Egg Bank USA™](#), and [NW Cryobank™](#). Together they have helped create nearly 100,000 families and are fulfilling an increasing demand with the substantial growth of single parenting by choice, LGBTQ+ families, and couples having children later in life.

BRAND BREAKDOWN

California Cryobank Donor Sperm Bank: California Cryobank is a pioneer and industry leader in donor sperm banking, offering the most rigorously screened donors, largest selection, and scientific expertise for more than 40 years.

- World's largest frozen donor sperm bank
- 75,000 children born, 530 sperm donors on the catalog
- 1977: Founded by Dr. Charles Sims and Dr. Cappy Rothman
- One of the original frozen donor sperm banks

Donor Egg Bank USA: Donor Egg Bank is a true leader in its category, maintaining the highest clinical pregnancy rate in the industry, while growing the largest frozen donor egg program in the United States.

- Largest frozen donor egg bank in the US
- 5,000 children born, +380 egg donors on the catalog
- 2011: Founded by Michael Levy, MD and Heidi Hayes
- One of the first frozen donor egg banks in the US, and the first egg bank to successfully ship frozen eggs across the country

NW Cryobank: For over 30 years, NW Cryobank has been helping couples, single women, and the LGBTQ+ community create happy, healthy families.

- Offers sperm donors for at-home insemination and assisted reproductive technology
- Highly qualified staff, rigorous screening process of potential donors
- Safe and secure storage

CORPORATE SOCIAL RESPONSIBILITY

Generate Life Sciences has built social purpose into its business, culture and brand. Current programs include:

California Cryobank

- *Donations:* Donates 100 sperm vials each year to a variety of LGBTQ+, single mother by choice, and infertility support organizations
- *CCB PRIDE Program:* Offers discounts to transgender clients of 50% off fertility preservation and storage services
- *LiveSTRONG Program:* Offers discounts to cancer patients of 50% off fertility preservation
- *CCB Military and 1st Responder Discount:* Offers discounts to these groups (including retired and non-active duty Fire, Police, EMT/Paramedics) of 50% fertility storage

Donor Egg Bank USA

- *Cade Foundation:* Partners with the Cade Foundation, a non-profit organization that was started in 2005 to provide information support and financial assistance to help needy families overcome infertility.
- *Fertile Future:* Partners with Fertile Future, a Canadian non-profit organization that provides fertility preservation and support services to cancer patients and oncology professionals.
